

Produce Clerk (kentfield / ross)

Woodlands Market, Marin's award-winning upscale grocery, is looking for a Produce Clerk at our Kentfield store. We are an independent gourmet market committed to our community and building on our success for the past 26 years please visit us at woodlandsmarket.com to learn more.

Reporting to the Produce Manager, the Produce Clerk is responsible for the proper stocking and rotation of merchandise while giving exceptional customer service.

Warm welcome and greeting to all customers

Sampling products to customers and employees, giving relevant product information such as possible recipe ideas, where the product was grown, best time to eat the product, seasonality of specific products etc...

Help customers locate products in produce as well as the rest of the store

Picking the fruit at the level of ripeness based on customer consumption timing

Rotating to maximize product freshness/quality and minimize waste

Stock to ensure abundance in all areas

Maintaining a clean, inviting and safe department

Requirements:

Be able to lift 50 pounds

Basic knife skills for trimming and sampling of produce

Must have the ability to prioritize. See what is the most important and get it done.

Attention to detail. Make sure the product and your work is up to department manager and store standards.

Excellent communication skills including ability to carry out detailed conversations in English

*Prefer 2yrs relevant experience

*Must have open availability including weekends

Apply to this posting directly or send resumes to jobs@woodlandsmarket.com

Compensation includes pay commensurate with experience, a generous benefits package including Health/Dental/Vision Insurance, 401(k), and a store discount.
